

Participant Acknowledgement

I, _____, acknowledge receiving a copy of the Terms and Conditions of the Claremont McKenna College Impact Program (the "Program"). I have reviewed such Terms and Conditions and agree to abide by the rules of the Program. I understand failure to meet all Terms and Conditions of the Program will result in the full and complete forfeiture of my right to receive any grant payment under the Program. I also understand that funds are limited and not guaranteed.

I acknowledge that I have voluntarily chosen to participate in the Program, and have full knowledge of the risks that this activity presents, including travel to, participation in, and returning from an activity as part of the Program. I further acknowledge that Claremont McKenna College has made no representation or promises to me, either expressed or implied, as to the nature of the Program, or any internship or experiential program I may select as part of the Program, or their contents or their suitability for my participation.

I understand that by being permitted to participate in this Program, I agree to assume any and all risk of injury or death. I further understand and agree to assume responsibility for all risk of theft, loss or damage of personal property, which occurs at any time arising out of, or in any way connected with, my participation in the Program.

I understand and agree that as a condition of participation in the Program, I further agree to release from liability and to indemnify Claremont McKenna College, their officers, directors, agents, employees, assigns, successors or lessors for any damage, injury, death to myself or to any person or property, in any way connected with my participation in the Program.

I understand and agree that I have carefully read this agreement and fully understand all of its terms and conditions. I understand that this is a release of liability, which could legally prevent me from filing suit or making any other legal claim for damages in the event of my death or injury to me. With this knowledge, I am entering into this agreement freely and voluntarily. I agree that it is binding upon me, my spouse, my heirs, my children including any guardian ad litem for the children, my assigns, and legal representatives.
